

## **Congresswoman Kelly on the Move**

On Thursday February 24, 2005, Congresswoman Sue Kelly came to Pawling Central Middle School. She came to visit Ellen Ramey's 5<sup>th</sup> grade class at 9:30 in the morning.

When Congresswoman Kelly arrived, James and Rosalyn introduced her to the class. After the students greeted her, Congresswoman Kelly told the class about how her job works. Then she started to ask the class if they had any questions for her.

The first question was by William about illegal immigrants and how to stop them. She answered him with detail and she was serious about the topic. She talked to the children like they were very important. She answered their questions with a lot of meaning and detail. Soon, she had to leave and she said goodbye. She first took a picture to go on her web site for the month of March.

She handed out a book called, How Our Laws Are Made. The kids loved her visit and were happy that she came.
